20-21 APRIL • KARLSTAD

## INVITATION SSAS 2023

# WELCOME AS A SPONSOR AND EXHIBITOR TO SSAS ANNUAL MEETING 2023 IN KARLSTAD, SWEDEN

**On April 20-21, 2023 it's finally time again for a physical annual meeting for SSAS! The last time we were able to meet physically was in Linköping in 2018.**

The meeting is organized by the Swedish Shoulder and Elbow Society (SSAS) and is the leading event for shoulder and elbow specialists in Sweden. About 120 to 150 delegates are expected to attend the meeting now that it has been such a long time since the last physical event.

This time Karlstad will be the city hosting the event, and the venue is Karlstad City Congress Center in the centre of town. Sponsors and exhibitors will be given the best possible opportunities to meet delegates during coffee breaks and lunches. The exhibition area is located right outside the seminar rooms and this is also where coffee and lunch is served.

In 2023 Fredrik Westman from the orthopedist department in Karlstad, together with his team of orthopedists and physiotherapists, will be the hosts of the event. They are responsible for putting together a topical and exciting program as well organizing all the social events, to which everyone is welcome.

The hotels are all close to the congress venue and a watering hole will be available at one of them the day before the Congress for those that are interested. The banquet, to which everyone is invited, will be held at Karlstad CCC.

As a sponsor you have several opportunities to meet the delegates. You can for example hold a seminar as part of the program or a hands-on workshop in an adjacent room.

Welcome to book your participation by completing the attached application form. If you have any questions, please just let me know – we want to make sure you have all the information you need before you make a decision.

With kind regards,

Bosse Magnusson on behalf of SSAS
