- 09.15-09.30 Simulator and novel training modalities  
*Elsa Valsdóttir. National University Hospital of Iceland, Reykjavík, Iceland*
- 09.30-09.45 Certification in colorectal surgery  
*Marie-Louise Lydrup. Malmö University Hospital, Malmö, Sweden*
- 09.45-10.00 Discussion
- 10.00-10.30 Break – Coffee and commercial exhibition

Session 2. Recent, ongoing, and/or planned studies (Chair: Lisanne Posma and Anna Martling)

- 10.30-10.40 The ASAC trial  
*Sheraz Yaqub. Oslo University Hospital, Oslo, Norway*
- 10.40-10.50 FURCA  
*Ida Hovdenak Jakobsen. Aarhus University Hospital, Aarhus, Denmark*
- 10.50-11.00 SCANDIV II  
*Abbas Chabok. Västmanlands sjukhus Västerås, Västerås, Sweden*
- 11.00-11.10 PRESTOMA  
*Elisa Mäkäräinen-Uhlbäck. Oulu University Hospital, Oulu, Finland*
- 11.10-11.20 ALASCCA  
*Anna Martling, Karolinska. Stockholm, Sweden*
- 11.20-11.30 PCDbioPCD  
*Alaa El-Hussuna. Aalborg University Hospital, Aalborg, Denmark*
- 11.30-11.40 COLOFOL  
*Ingvar Syk. Malmö University Hospital, Malmö, Sweden*
- 11.40-11.50 SMOP - Social Media on Prescription  
*Eva Angenete. University of Gothenburg, Sweden*
- 11.50-12.10 How to improve Nordic collaborative research  
*Panel discussion with inputs from each study group mentioned above*
- 12.10-13.00 Lunch break

Session 3. New techniques in Colon cancer surgery – for the patient’s best? (Chair: Bjørn Nedrebø and Tero Tapani Rautio)

- 13.00-13.15 Video session D2½ and D3, definitions  
*Dejan Ignjatovic. Akershus University Hospital, Oslo, Norway*

- 13.15-13.30 Survival data from Denmark  
*Claus Anders Bertelsen. Hillerød University Hospital, Hillerød, Denmark*
- 13.30-13.45 Survival data from Norway  
*Kristian Eg Storli. Haraldsplass Diakonale Sykehus, Bergen, Norway*
- 13.45-14.00 Quality of life after D3  
*Claus Anders Bertelsen. Hillerød University Hospital, Hillerød, Denmark*
- 14.00-14.15 New technique- new complications?  
*Dejan Ignjatovic. Akershus University Hospital, Oslo, Norway*
- 14.15-14.30 Fluorescens techniques - reducing anastomotic leakage?  
*Roel Hompes. Academic Medical Center, Amsterdam, The Netherlands*
- 14.30-15.00 Discussion and cases
- 15.00-15.30 Break – Coffee and commercial exhibition

Session 4. Registries; why, how and future Nordic perspectives (Chair: Tom Øresland and Per Nilsson)

- 15.30-15.40 Finnish colorectal cancer registries  
*Monika Carpelan-Holmstrøm. Helsinki University Hospital, Finland*
- 15.40-15.50 NORGAST  
*Hans Wasmuth. St. Olavs Hospital, Trondheim, Norway*
- 15.50-16.00 Swedish colorectal cancer registries  
*Ingvar Syk. Malmö University Hospital, Malmö, Sweden*
- 16.00-16.10 Quality registries and the importance of standardization - experiences from Iceland  
*Helgi Birgisson. National University Hospital of Iceland, Reykjavík, Iceland*
- 16.10-16.20 On Danish registries  
*Peter-Martin Krarup. Zealand University Hospital Roskilde, Roskilde, Denmark*
- 16.20-16.40 Randomised register-based studies  
*Johannes Kurt Schultz. Akershus University Hospital, Oslo, Norway*
- 16.40-17.00 Discussion
- 19.30 Conference Dinner

## **Friday 31st of August**

### Session 5. Anoproctology (Chair: Kåre Nordland and Anna Lepistö)

- 08.30-08.45      Rectopexy – mesh vs suture  
*Lilli Lundby. Aarhus University Hospital, Aarhus, Denmark*
- 08.45-09.00      Robot rectopexy – what’s the point  
*Tero Tapani Rautio. Oulu University Hospital, Oulu, Finland*
- 09.00-09.20      Is mesh rectopexy history?  
*Janindra Warusavitarne. St Mark’s Hospital, London, United Kingdom*
- 09.20-09.40      Anal fistulas – update on sphincter saving procedures  
*Steen Buntzen. University Hospital of North Norway, Tromsø, Norway*
- 09.40-10.00      Treatment of anal fistulas in Crohn’s disease  
*Lilli Lundby. Aarhus University Hospital, Aarhus, Denmark*
- 10.00-10.30      Break – Coffee and commercial exhibition

### Session 6. Elderly and frail colorectal cancer patients (Chair: Hartwig Kørner and Elsa Valsdóttir)

- 10.30-10.45      Approach to the elderly – different country, different treatment? Data from the Danish, Swedish and Norwegian colorectal cancer registries  
*Kjartan Stormark. Stavanger University Hospital, Stavanger, Norway*
- 10.45-11.00      Geriatric assessment – key to decision making in the elderly?  
*Siri Rostoft. University of Oslo, Oslo, Norway*
- 11.00-11.15      Can geriatric interventions increase number of patients completing chemotherapy?  
*Cecilia Margareta Lund. Herlev and Gentofte Hospital, Herlev, Denmark*
- 11.15-11.30      Non-curative treatment of patients with colorectal cancer – do we care? Data from the Norwegian Colorectal Cancer Registry  
*Hartwig Kørner. Stavanger University Hospital, Stavanger, Norway*
- 11.30-12.00      “MDT meeting” on elderly with colorectal cancer  
Interactive session with panel discussion  
*Moderator: Hartwig Kørner and Elsa Valsdóttir*
- 12.00-13.00      Lunch break

### Session 7. Inflammatory Bowel Disease (Chair: Tom Øresland and Ingvar Syk)

- 13.00-13.15      Excessive opiate use in patients with Crohn’s disease – why and what to do?  
*Emmanuel Bäckryd. Linköping University, Linköping, Sweden*

- 13.15-13.30      How to avoid complications in Crohn's surgery  
*Pär Myrelid. University Hospital Linköping, Linköping, Sweden*
- 13.30-13.45      How to deal with the complicated pouch patient  
*Anna Lepistö. Helsinki University Central Hospital, Helsinki, Finland*
- 13.45-14.00      The non-healing perineal sinus  
*Pär Myrelid. University Hospital Linköping, Linköping, Sweden*
- 14.00-14.30      Transanal or robotic pouch surgery?  
*Anders Tøttrup. Aarhus University Hospital, Aarhus, Denmark*
- 14.30-15.00      Volume debate: How is IBD surgery organized in the different Nordic countries? Panel discussion  
*Hans Wasmuth. St. Olav's University Hospital, Trondheim, Norway*  
*Anders Tøttrup. Aarhus University Hospital, Aarhus, Denmark*  
*Anna Lepistö. Helsinki University Central Hospital, Helsinki, Finland*  
*Per Nilsson. Karolinska University Hospital, Stockholm, Sweden*
- 15.00-15.10      Closing Remarks  
Ole Helmer Sjo and Tom Øresland
